

# Hanna CHETOUANE

Master's student in Applied Mathematics

## About me

Nationality : French  
Birth : 16/01/2003  
Adress : 13 rue du  
Maennelstein  
Strasbourg, France

## Skills

- Good communication and teamwork skills
- Good adaptability and observation skills
- Perseverance and ability to surpass myself

## Interests

- Mathematics and computer science
  - Figure skating
- Nature and environment

Hanna-che

## EXPERIENCES

2022–today

### Mathematics Support

From middle school to post-baccalaureate, I help students with their homework and general understanding of their mathematics lessons.

2018–today

### Figure Skating Instructor

I coach at the CSGSA ("Club des sports de glace de Strasbourg Alsace") at all levels, including Competitors, Baby Club, and Adults.

## DEGREES

- 2024 Bachelor of Applied Mathematics** in University of Strasbourg 
- 2021 Baccalaureate** at Sainte-Anne high school, Strasbourg 

## CERTIFICATES

- 2024 BF1** (first ice sports coaching certificate) 
- 2024 PSC1** (Level 1 prevention and first aid) 
- 2022 B driving license** 

## CURRICULUM

2024

### CSMI Master (Scientific Computing and Mathematics of Innovation)

University of Strasbourg 

Advanced skills in statistics, mathematical modeling, numerical simulation, optimization, scientific computing, signal and image processing, as well as algorithms and high-performance computing (put into practice through projects and internships).

2021–2024

### Bachelor of Applied Mathematics

University of Strasbourg 

Fundamental bases in analysis (integration, function sequences and series), algebra, Fourier series, differential calculus, probability and statistics (R), as well as computer science (Python and C++).

## PROGRAMMING

Python, C++

R

C, Sql, Rust, Latex

## LANGUAGES

**French** | C2 | mother tongue

**English** | B1/B2 |
